

EVERYTHING HAS CHANGED

Teenagers today are growing up in a world where everything is instant, disposable and focused on pleasure.

The pressures to fit in, look good, be in a relationship or even have sex are not new or exclusive to young people today.

As they develop their identity, build relationships and establish their character, the sexual landscape that surrounds them presents them with a confusing range of voices and opinions.

Communication is digital, friends are virtual and feelings are public.

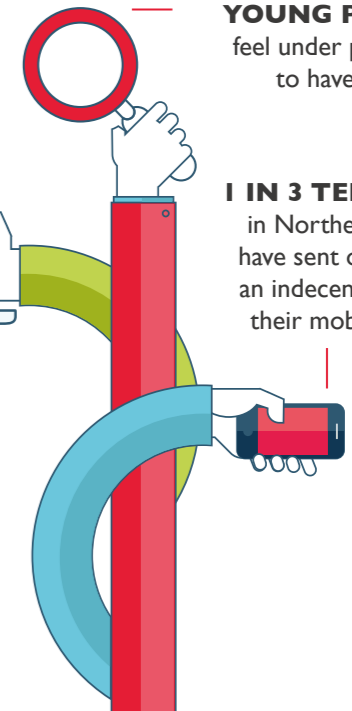

DID YOU KNOW?

90% OF OUR YOUNG PEOPLE feel under pressure to have sex

EVERYONE IS

SO OFTEN WE HEAR THAT EVERYONE IS

**GOING TO THE PARTY WATCHING
THAT SHOW HAVING SEX GETTING
THE LATEST GADGETS ON SOCIAL
MEDIA IN A RELATIONSHIP**

In our **EVERYONE IS** culture, we generalise and presume. Often we mistake myth for fact.

The sexualised message of the media is loud.

At LOVEFORLIFE we believe that although young people face immense pressure, they can make great choices. They can build relationships which reflect their value, worth and identity.

EVERY YOUNG PERSON

LOVEFORLIFE wants to give every young person the opportunity to develop a healthy respect for themselves, relationships and sex. Relationships are too important for us to simply hope that things might improve. Regret is too real for us to simply let young people follow the crowd.

LOVEFORLIFE is passionate about seeing young people understanding their potential, value and worth in relationships. Relationships matter to us and to every one of our young people.

EVERY SCHOOL

OUR COMMITMENT TO SCHOOLS ACROSS NI

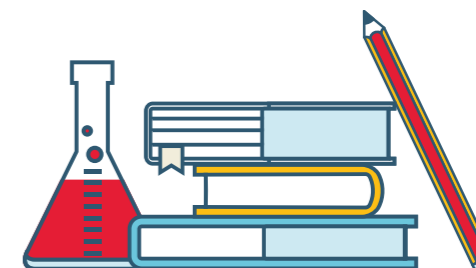

**WE ARE OFFERING EVERY
SCHOOL IN NORTHERN
IRELAND A PRESENTATION
AT NO CHARGE.**

We believe that this bold and courageous decision will increase the impact of our work and ensure that young people are not disadvantaged.

LOVEFORLIFE is committed to working in partnership with schools to deliver excellent Relationship and Sexuality Education that fully complements the curriculum requirements.

We are committed to doing everything that we can to remove the obstacles for teachers and young people to ensure that every school has equal access to our excellent programmes.

We enable teachers to address this subject with sensitivity and confidence.

EVERYONE IS NEEDED

£5 per pupil

GOAL

£5 x 20,000 pupils

This commitment brings with it a financial challenge. It costs £5 per pupil for a programme. We want to reach 20,000 Year 10/11 pupils EVERY YEAR. The goal is to raise £100,000 annually to make this happen.

As we begin to reach out with our vision of EVERY school, it is our hope that over the coming years an increased number of churches and individuals will stand with us to ensure that we can continue to offer at least one of our programmes to EVERY school.

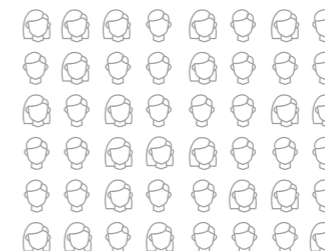

What can you do? Will you join us in changing a culture and protecting a generation?

Will you give us **£10 per month?**
That means 2 pupils will receive a programme EVERY month.

Will you give us **£500 each year?**
This ensures that a year group has the opportunity to hear a positive message about relationships and sex.

Will you give us **£5000?**
You can invest in your local community by providing each school in your town with one of our programmes.

EVERY ONE PLAYS THEIR PART

Imagine if everyone played their part.

Imagine the new cultural landscape that our teenagers could inhabit. Imagine the potential for healthy relationships when every school is reached and every one of our young people has the opportunity to hear a **LOVEFORLIFE** presentation during their crucial teenage years.

Why? Because...

EVERY
ONE
MATTERS
